

Sustainable Exterior Grade Deco Film

DNP

DNP's Exterior Grade Film is eco-friendly and highly decorative. Various design & color could be achieved by wrapping our film to automotive body parts.

Case

- To meet the needs of various decoration.
- To reduce the process of two tone painting.
- To decrease CO₂ emission when painting automobile.

Solution

- Various decoration by printing and emboss technology
- Reduction of painting process by decoration film
- Less environmental impact by decoration film

Feature

- Uneven surface by emboss/Pattern decoration by printing
- Easy installation due to pre-cut form fitted roof shape.
- Weather durability/Anti-scratch/Anti-chipping
- Product reliability (Mass production for OEM)

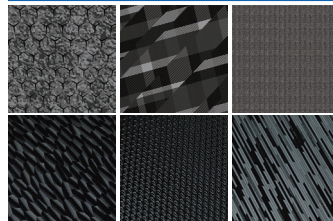

Utilization

- Alternative painting film (Body color parts)
- Unique decoration by film (Dealer option)
- Various automotive parts (Film/Parts) (Garnish/Pillar/Window Molding etc)

Application

Film pattern
