ANNOUNCEMENT

DAI NIPPON PRINTING CO., LTD.: Update regarding the request for separate tradability on Euronext Athens of the Austriacard shares tendered for sale in the context of the voluntary public takeover offer by Dai Nippon Printing Co., Ltd.

27 August 2026

Dai Nippon Printing Co., Ltd. ("**DNP**") informs the public that, further to the voluntary public takeover offer for the acquisition of control of AUSTRIACARD HOLDINGS AG ("**Austriacard**") for a consideration of €10.00 cum dividend per share for the financial year 2025, according to the offer document published on 12 June 2026 (the "**Offer Document**"), a request was submitted to Euronext Athens for the separate tradability of the Austriacard shares tendered for sale during the acceptance period of the public takeover offer, which expired on 21 August 2026, in accordance with the summary of the public takeover offer and Section 5.3 of the Offer Document.

The above request was submitted with the aim of enabling Austriacard shareholders who will have submitted the acceptance declarations for the public takeover offer to dispose of their shares following the expiry of the acceptance period, until the conditions precedent under the Offer Document are satisfied, i.e., at the latest by 31 March 2027. The request concerned the creation of a separate trading line for the Austriacard shares tendered for sale (under ISIN number AT0000A3UZH4) on the Main Market of Euronext Athens, with trading to commence from 27 August 2026.

DNP informs the public that it received on 26 August 2026 the response of Euronext Athens, by which Euronext Athens notified that it will not proceed with the implementation of the above possibility of separate tradability of the Austriacard shares tendered for sale.

DNP notes that the submission of the aforementioned request to Euronext Athens took place following the submission of a corresponding application by Raiffeisen Bank International AG, in its capacity as payment and settlement agent of the public tender offer and on behalf of DNP, to the Vienna Stock Exchange, namely an application for admission to trading of Vienna Stock Exchange traded shares tendered for sale, before the satisfaction of the conditions precedent by the end of the acceptance period under the Offer Document. Austriacard shares tendered into the offer, which were previously traded on the Vienna Stock Exchange, may be traded on the Vienna Stock Exchange as of the 27 August 2026.

Austriacard shareholders that hold their shares in Greece via a Greek custodian and have submitted the acceptance declarations for the public takeover offer, should contact them, if they so wish, with respect to the possibility of a change of the custody location of their shares to the Vienna Stock Exchange.
