**Notice of Reorganization of a Wholly Owned Subsidiary
through a Simplified Absorption-Type Company Split**

Dai Nippon Printing Co., Ltd. (hereinafter “the Company”) hereby announces that at the Board of Directors meeting held today, a resolution was passed to transfer the sales and planning department operations of DNP SP Innovation Co., Ltd. (hereinafter “the Target Subsidiary”), a wholly owned subsidiary of the Company, through a company split (simplified absorption-type split, hereinafter “the Absorption-type Split”) to be effective on October 1, 2025 (scheduled), as detailed below.

Since the Absorption-type Split is a simplified absorption-type split involving the Company and its wholly owned subsidiary, some disclosure items and details have been omitted from this announcement.

1. Objectives of the Absorption-type Split

The DNP Group has decided to reorganize its business in order to consolidate and integrate expertise and functions that we have cultivated, mainly in the field of sales promotions within our marketing-related businesses, to strengthen the functioning of the overall group, boost the efficiency of our business operations, further strengthen our competitiveness in this field, and achieve sustainable growth.

Through this Absorption-type Split, the sales and planning department operations of the Target Subsidiary will be transferred to the Company. Additionally, on the same day, other department operations will be transferred to the Company's wholly owned subsidiaries, DNP CoArise Co., Ltd. and DNP Publishing Products Co., Ltd., while an absorption-type merger will also be executed in which DNP Graphica Co., Ltd., a wholly owned subsidiary, will be the surviving company and the Target Subsidiary will be the dissolved company, with the aim of

strengthening business operations through functional consolidation and integration. Furthermore, on the effective date of the aforementioned absorption-type merger, the trade name of the surviving company, DNP Graphica Co., Ltd., is scheduled to be changed to DNP Marcom Products Co., Ltd.

2. Main Points of the Absorption-type Split

(1) Schedule for the Absorption-type Split

Absorption-type Split approved by Board of Directors	April 11, 2025
(Scheduled) Absorption-type Split agreement signed	August 18, 2025
(Scheduled) Effective date for Absorption-type Split	October 1, 2025

Note: For DNP, this Absorption-type Split meets the requirements as stipulated in Article 796, Paragraph 2 of the Companies Act. Therefore, the Absorption-type Split can be executed without approval by resolution at a general meeting of shareholders.

(2) The Absorption-type Split method

This is an absorption-type company split in which the Company will be the succeeding company and the Target Subsidiary will be the splitting company.

(3) Details of allocation related to the Absorption-type Split

There will be no allocation of stocks or other assets in connection with this Absorption-type Split.

(4) Treatment of stock acquisition rights and bonds with stock acquisition rights in connection with the Absorption-type Split

Not applicable

(5) Decrease in capital, etc., as a result of the Absorption-type Split

There will be no change in the Company's capital as a result of the Absorption-type Split

(6) Rights and responsibilities to be succeeded by the successor company

The Company plans to succeed the assets, liabilities, and other rights and obligations related to the businesses subject to this Absorption-type Split from the Target Subsidiary as stipulated in the Absorption-type Split agreement to be concluded between the Target Subsidiary and the Company.

(7) Expected fulfillment of obligations

We have determined that there will be no issues regarding the Company's ability to fulfill its obligations after this absorption-type split.
