**Postponement of Full-Year Consolidated Results Announcement  
due to State of Emergency Declaration**

Dai Nippon Printing Co., Ltd. (DNP) would like to convey its deepest sympathies to all those suffering from the novel coronavirus (COVID-19) and to those whose lives have been affected by the pandemic.

Following the Japanese government's declaration of a state of emergency in response to the COVID-19 pandemic, the DNP Group has implemented the necessary measures needed to assist in preventing infection and limiting the spread of the virus.

Due to the impact of the above business conditions on the process of preparing its results, DNP is taking the steps below regarding its announcement of consolidated results for the year ended March 31, 2020.

DNP regrets the inconvenience and concern caused by this news to its shareholders, investors, and other stakeholders, and asks for their understanding.

1. Announcement of consolidated results for the fiscal year ended March 31, 2020

As a result of the state of emergency declaration and the associated need to step up measures to prevent infection and limit the spread of COVID-19, DNP expects the process of preparing its consolidated results both in Japan and overseas, including its external auditors' review, to require more time than initially anticipated.

In view of the above conditions, DNP continues to review the timing of its announcement of consolidated results for the fiscal year ended March 31, 2020, with a view to announcing results in late May onward.

DNP intends to promptly announce a specific date as soon as it is decided.

2. Consolidated earnings for the fiscal year ended March 31, 2020

There is no change to DNP's full-year consolidated earnings forecasts for the fiscal year ended March 31, 2020 presented in the "Announcement of Revisions to Consolidated Earnings Forecasts for Fiscal Year Ending March 2020" published on February 12, 2020.
